

## Introduction

We are excited that you are interested in our school! We believe education should be safe, fun and challenging. Keeping Jesus in the center of all we do makes our school unique. Along with encouraging the highest academic standards, we provide students with practical Biblical instruction everyday, seeking to build genuine Christian characters. We love to get outside too - hiking, paddling, skiing and exploring the natural world around us.

That's just a taste of what we do, but ultimately we want you to see for yourself. We invite you to come and spend a day or two in our classroom and, if you would like, to observe one of our school board meetings.

We view this application process as the first step in forming a partnership with you to provide the best school experience we can for your child.
