

Commitment to Financial Responsibility

We have committed our time and financial resources to offer the best Christian education for your son and/or daughter. As the parents/guardians of our students, we expect you will do no less. You show your commitment to Christian education by your support of the school programs, policies and keeping current with your financial responsibility to the school.

I agree to be financially responsible for _____ for the
(Student Name)
20____-20____ school year.

I am the (circle one) Parent Guardian Sponsor of this student.

In the event there are financial changes I will contact the school treasurer immediately.
